

PRINCIPAL'S REPORT TO P&C

9 June 2020

1. COVID-19:

The whole COVID-19 pandemic 'experience' is continuing, although this week we have benefitted from a reduction in restrictions as part of the State Government's Phase 3 announcements. We will continue to follow the Department of Education guidelines and provide a safe and caring environment for students to learn.

2. Class Restructure:

Growing student numbers required a class restructure which took place in Week 2 of this term. The process ran very smoothly with all students settling into the new rooms.
