

1. 2020 Education Awards:

The Minister for Education has asked that we notify P&C of the cancellation of the 2020 Education Awards due to COVID-19. The awards will return in 2021.

2. Student Council Fundraising Event:

The Student Council met today and have decided to support the Smith Family this term. They will hold a 'Dress in your Favourite Sports Team' day on September 10 (gold coin donation).

3. Worm Farm:

One of our Sustainability program initiatives has been the purchase of a worm farm. This will provide opportunities for students to learn how to look after worms by managing their feeding and care as well as generate fertilizer for future garden beds.

4. Open Night:

Due to the continuation of COVID-19 Phase 4 restrictions, the planned night has been cancelled for 2020.

5. Class Assemblies:

Due to the impact that COVID-19 restrictions have had on the original assembly roster, staff have opted not to hold classroom assemblies this year. If restrictions are lifted, we will look to hold a whole school end of year assembly in Term 4, at which students will have an opportunity to perform.

6. Parent Survey 2020:

The annual survey of parents will go home in the next couple of weeks. The survey provides information that we use to self-reflect and plan for improvement. We invite and encourage constructive comments from as many parents as possible. A link to the survey will be sent via SchoolStream

7. Year 6 Leavers Shirts:

Mrs. Drage went through a process of selecting the design for the leavers shirts with the Year 6 students. They have now received their shirts which they are wearing proudly.
