| <p>8. General Business</p> <p>8.1. Disco – Looking to hold the disco on the 24th of June. P&C discussed possible time slots, ticket prices, food options and decided that we will come back to vote on it at next meeting when we have two clear options to choose from. Banksia Grove Primary school has left over glow items that we could possibly purchase for resale, they are asking \$242.00 for everything they have. Waiting to hear from the DJ to see if they are available.</p> <p>8.2. Garden Bed – nothing to report.</p> <p>8.3. Canteen items to Banksia Grove Primary – If this was to go ahead there would need to be another full-time employee to cover the work load. Jemma will ask for order history to see what kind of work load they are looking at as well as finding out their break times. Someone would have to drive the food from Grandis Primary to Banksia Grove Primary. A larger oven & pie warmer would also be required.</p> | |
| <p>9. Other Business</p> <p>9.1. Conference 10-11 September at Crown. If anyone would like to attend, please let K. Birch know.</p> <p>9.2. New parents and class Facebook groups – New parents, particularly of the senior class groups can struggle to connect with other parents from the same year groups and arranging play dates with students. The Education Department do not support Facebook groups and as such the school and P&C don't either. School to look at possible networking options for the future (E.g., BBQ open night). The fathering project and BBQ dad's group were also discussed as something we can look at facilitating.</p> | |
