#### **Premiers Reading Challenge**

We signed up for the Premiers Reading Challenge this year. The mission is for students from Kindergarten to Year 6 to read 12 books over 4 months. Each week, students who log their reading achievements go in the draw to win a prize. There are more than 110 awesome prizes for students to win.

For students to be in the draw to win weekly prizes, you will need to create an account at <a href="Signin">Signin</a> (premiersreadingchallenge.wa.edu.au). They need to read a book from the list <a href="Premier's Reading Challenge">Premier's Reading Challenge</a> (premiersreadingchallenge.wa.edu.au), the book then needs to be logged in their account and they're in the draw to win! There's 17 weeks of the challenge left so there's a lot to be won.
