Dear Parents / Carers,

The Education Act 1999 requires schools to notify parents of the schedule of Contributions and Charges for the following year. The Schedule covers three sections and will allow you to calculate all costs for 2026.

1. Voluntary Contributions

Parents / carers are asked to pay Voluntary Contributions which are set at $60 per student ($100 per family) (maximum limit per student *School Education Regulation 2000*).
These essential voluntary contributions assist with vital resources for our students. Contributing to the cost of resources needed in the provision of the learning program activities.

While contributions are voluntary, the quality of our teaching and learning program will be enhanced when each family makes its contribution to the cost of supplementing funding gained from other sources including the State and Commonwealth Governments.

2. Charges for Extra Cost Optional Components

Breakdown of estimated charges for your child's participation in incursions, excursions, and other activities for 2026 have been included in the schedule. Students will only incur costs when they are involved in a particular activity. The amounts indicated, represents the maximum charge for scheduled activities. Costs of these activities are the responsibility of the parent. Cash or direct payment via school stream APP are available.

Charges Schedule includes costs associated with:

- Activities available to **all** students, conditional on payment e.g. incursions / excursions etc.
- Activities available to **selected** students, conditional on payment e.g. PEAC, graduation etc.

3. Personal Items for Student Use

These are items that students need to own for their personal use in the educational program. Campion is the approved supplier for Personal Items lists and has negotiated competitive prices. Parents / Carers are not obliged to use this supplier but a convenient option.
Your child will need the listed materials each school day, this may be necessary to replace items such as pencils throughout the year.

**Information in this overview has been kept as brief as possible.*

Kind regards,
Linda Cockman
